

E-Log™

Digital Archive and Retrieval of your Maintenance Records/Logbooks

From This

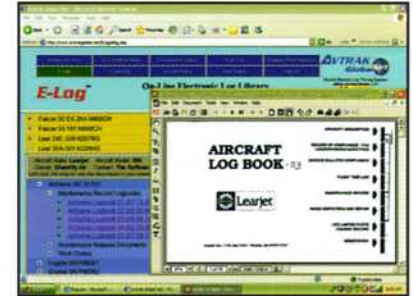

To This

On This Mini CD!

And This!

All of your vital maintenance records on a CD plus access to your records via the Internet from anywhere at any time!

- Protects your records in case of damage or loss
- Protects the resale value of your aircraft
- Provides convenient access to your records from anywhere at any time
- All records are OCR'd, organized and optimized for search-ability, ease of use and fast access
- Competitive pricing

logbooks on E-Log is like placing them on your desk and paging through them. Finding specific records is within reach in seconds!

As an **E-Log™** customer, with your permission, anyone, from anywhere, at any time, can access your maintenance records, significantly reducing the costs and risks associated with shipping logbooks.

In the event your records were to become lost or destroyed, with **E-Log™** you will be able to recover all of that lost information -- down to the personal sign-offs on each logbook entry -- preserving the re-sale value of your aircraft! Damaged or lost records can negatively impact the resale value of your aircraft by 20%-30%.

Let Avtrak help you protect your records. We offer **E-Log™** for a low fixed price that includes both the CD and Internet access.

The value of your aircraft is only as good as your maintenance records. Having a complete backup of all your historical records is essential to maintaining the value of your asset. **E-Log™** is a digitized version of your exact historical inspection and maintenance logs. Your logbook information is then available to you on both Avtrak's secure website and on a mini CD-ROM.

E-Log™ contains digital images taken directly from your existing aircraft, engine, propeller, and APU paper maintenance logbooks. Each record is scanned into an **E-Log™** PDF (Portable Document Format) image and is OCR'd for searchable text. The records are organized just like the hard copies so that viewing your
